

Dayflow HRMS — 90-Second Demo Video Guide

Step-by-Step Screen Recording Actions & Voiceover Script for Odoo Hackathon Presentation

Preparation Checklist Before Recording

- Open browser tab at: **http://localhost:5173/signup**
- Have a company logo image ready on your computer (e.g. Starbucks or custom logo).
- Ensure backend server and Vite client are active in background.
- Set display resolution to 1080p for crisp visual output.

TIME	SCREEN ACTION (WHAT YOU DO)	VOICEOVER SCRIPT (WHAT YOU SAY)
0:00 – 0:15	1. Company Sign Up & Logo Upload • Display Sign Up Page with HD background video. • Type Company Name: Starbucks Inc. • Click blue Upload Logo button [] and select image. • Click Eye icon (👁️) to show password toggle. • Click Sign Up.	"Welcome to Dayflow HRMS, a modern, full-stack Human Resource Management System. We start by onboarding a new company with live logo uploads, secure credentials, and dynamic eye password toggles."
0:15 – 0:35	2. Employee Directory & Check IN • Land on Employees Directory page. • Show employee cards with photos, roles, and status dots ( Present,  Leave,  Absent). • Click Check IN → button in header bar. • Highlight indicator turning  Green instantly.	"Upon logging in, we land on the Employee Directory showing rich cards with profile pictures, departments, and live status indicators. Watch how clicking 'Check IN' instantly updates our status dot to green."
0:35 – 0:55	3. Profile Personalization & Resume • Click an employee card to open Profile Page. • Click pencil icon [] on About / My Job section. • Click + Add Skill (e.g. <i>React.js</i>) and + Add Certification. • Hover avatar circle to edit profile picture.	"Clicking any employee card opens their profile in form view. Employees can personalize their avatar, edit background details, and interactively add or remove skills and certifications."
0:55 – 0:75	4. Automatic Salary Calculator • Click Salary Info Tab. • Show Month Wage: ₹50,000. • Highlight auto-calculated breakdown: • Basic (50%): ₹25,000 HRA (50%): ₹12,500	"Under the Salary Info tab, Dayflow features an automatic salary structure breakdown. For a monthly wage of ₹50,000, components like Basic, HRA, PF, Standard Allowance, and

TIME	SCREEN ACTION (WHAT YOU DO)	VOICEOVER SCRIPT (WHAT YOU SAY)
	• Standard Allowance: ₹4,167.50 • PF Employee & Employer (12%): ₹3,000 • Professional Tax: ₹200	<i>Professional Tax are calculated dynamically in real-time."</i>
0:75 – 0:90	5. Attendance & Time Off Approval • Click Time Off in header navigation. • Click + New Request, select <i>Sick Leave</i>, attach medical file, and submit. • Resize browser window to demonstrate mobile drawer menu.	<i>"Finally, employees can track month-wise attendance and request leave with document attachments, while HR admins approve or reject requests seamlessly. Dayflow is 100% responsive and ready for mobile!"</i>

Recording Recommendations

Use OBS Studio, Windows Game Bar (Win + Alt + R), or Loom to record in 1080p. Keep mouse cursor movements smooth and speak at a clear, enthusiastic pace.
